

# DIY Project Instructions

## Cocoa for Couples

### Ingredients:

- ½ hot chocolate (only require hot water)
- ¼ cup chocolate chips or chocolate candy
- ½ cup mini marshmallows
- candy cane (if making snowman soup)

### Supplies:

- one large clear cone bag
- one small clear cone bag
- twist tie
- curling ribbon
- 18" wide ribbon
- card stock for tag

Fill small cone bag with the hot chocolate powder, using twist tie, secure the bag so the powder doesn't come out and cut off excess cone bag above twist tie. Place the filled bag inside the large bag, line up the lines on the sides over each other. Layer the chocolate chips or chocolate candy on top of the sealed bag. Add the marshmallows on top of the candy layer. Tie the cone bag securely with curling ribbon, add looped wide ribbon and tie with curling ribbon to make a bow. Add tag and optional candy cane to be used as a stirring stick if making snowman soup.
